

Parallel and Series Circuits

Below are resources for practising using the formulae for parallel and series circuits. When you are able to get the sample questions consistently correct, then you will be fully ready for the relevant questions on the midterm.

Parallel Circuits

- http://www.allaboutcircuits.com/worksheets/dc_p.html
questions: 1, 2, 7, 8, 9, 10, 11, 12, 15, 16, 19, 20, 24

Combo Circuits

- http://www.allaboutcircuits.com/worksheets/dc_sp.html
questions 5, 6, 7, 8, 10, 11, 13, 16, 17, 19, 21, 23, 26, 27
